

Catherine Capaldi Awards 2020 - online application form

Catherine Capaldi was a young disabled person who made a difference. She campaigned for inclusion and fought hard to raise awareness of the issues affecting disabled people.

The Catherine Capaldi Awards have been created to celebrate Catherine's life and vision, and to support the participation and leadership of disabled people in addressing the problems which affect their lives.

The Awards will be given to an individual or group of disabled people who have come up with solutions to address a particular problem or issue, to break down barriers or improve access and inclusion for disabled people.

Please read the Guidance notes carefully before starting.
